Dear Clerk of Court for the Honorable Judge Acaraj,

This letter is a request for a status update and or docket regarding my motion pertaining to Title 18 U.S.C. § 3582(c)(1)(A)(i).

I have not received confirmation that the Court is in receipt of the motion. Neither have I received confirmation or the Courts acceptance of my supplement to the original motion.

My casemanager sent the supplement by certified post. In which was further information concerning my achievements and contributions to the public towards recidivism risk reduction I have obtained and given since my incarceration began.

If you would please forward to me the Courts receipt of these submissions, it would be greatly appreciated.

I thank you kindly in advance for your time and attention to this matter,

Respectfully,

Donald Green #
